*Bronze Leaf and Premium Cast Stone Pedestal*

# Brass Baron Rainforest Frogs

At first glance, these vibrant frog creations appear to be fine porcelain or ceramic. But these are solid brass sculptures, hand cast in the ancient lost wax method, then artfully hand-painted and glossed for a vivid show of color, echoing the Amazon. These showy Rain Forest Frogs are exotic, accents for outdoors and indoors, and perfect gifts.

**B984CB**  
Tall Rainforest Frog Blue
